

Use in conjunction with graph paper PDF

Existing Room Specifics

Goal of remodel: _____ Update_____ Add Space_____ Improve Function

Existing Room Dimensions: _____' _____" x _____' _____" = _____ Sq. Ft

Existing Ceiling height: _____"

Use graph paper to roughly lay out the room. Place windows and door openings in approximate locations. Remember, this is only to allow us to review the space. We will actually come out to measure the space ourselves to give you a truly accurate floor plan.
